# Soraya Wins Three Audience Choice Awards

The Soraya has received three San Francisco Classical Voice Audience Choice Awards for performances in their 2023-24 Season.

San Francisco Classical Voice reported, "This year's response in Los Angeles was very heartening. With thousands of votes submitted, you proved there is an engaged and passionate audience that is just as interested in smaller groups and emerging talent as in big stars."

The Soraya won Best Dance Performance for the Martha Graham Dance Company's "American Legacies."

San Francisco Classical Voice said, ""The Graham company's early centennial celebration at The Soraya (the troupe doesn't officially turn 100 until 2026) showed how one choreographer's legacy can reverberate through generations."

Best Jazz Performance (first place and runner up) went to the performance of the Pacific Jazz Orchestra with Aaron Tveit, with the Voice stating, "Equally at home on Broadway or in Hollywood, Tony Award-winning singer Aaron Tveit brought his signature mesmerizing style to The Soraya for the first time with a newly formed 40-piece ensemble directed by Hollywood veteran Chris Walden. The close runner-up, hosted by the same venue, was Booker T. Jones's appearance with young keyboardist Matthew Whitaker, the venerable master of the Hammond B-3 organ passing the torch to the next generation."

Best Festival Award went to Soraya's "Jazz at Naz" series. "In its third annual iteration, this winter jazz festival brought forth some distinguished musical luminaries, notably in a 50th anniversary concert from Herb Alpert and Lani Hall, which kicked things off in golden style. Booker T. Jones and Delfeayo Marsalis were among the other headliners. The Ojai Music Festival, last year's winner in this category, took second place, only a handful of votes behind."

The Soraya's 2024-25 Season is just around the corner, and it all begins Sept. 28-29 with Broadway's Reeve Carney and Javier Muñoz starring in Randy Newman's *Faust: The Concert*. The theatre is located on the campus of CSUN, 18111 Nordhoff, Northridge. For a full schedule visit thesoraya.org.

# David Labkovski Project Seeks Student Docents for Leadership Training

In light of the growing concerns surrounding anti-semitism, Holocaust education is now more important than ever. The David Labkovski Project Student Docent & Leadership Training Program offers a practical and impactful means for students to delve into Holocaust education and understand the repercussions of antisemitism.

The David Labkovski Project Student Docent & Leadership Training Program is designed for students in grades eight-12, allowing them to become docents for the DLP exhibit "Documenting History through Art." This program empowers students to acquire historical context for art and use it to educate their peers about the dangers of discrimination. The virtual program boasts several compelling advantages: it is entirely cost-free, conducted online, and allows students to accumulate community service hours. Participation in this program imparts valuable leadership skills, encourages public speaking, critical thinking, peer to peer education and nurtures empathy and kindness among participants.

## Worried Homeowners Turning to Private Security Services for Protection

Burglaries. Follow-home robberies. Hidden cameras.

Valley residents are becoming more concerned about home invasion robberies than the homeless issues.

Homeowners are now realizing they need to be more proactive in protecting their homes and families.

Shorab Payind, owner of First Choice Security, specializing in commercial, construction and residential private security, says he is seeing more and more private citizens turning to his company for protection.

"It's not just celebrities anymore," said Payind. "Homeowners are hiring us to do drive-by security patrols once or twice a day to inspect their property."

First Choice can do perimeter checks, see that gates are locked, there's no forced entry points, all doors are secure and there are no signs of break-ins or foul play.

"We observe and report," he said. "If there is suspicious activity we can get plate numbers, descriptions and activity, and get that information quickly to police or fire as well as to the homeowners. We're an extra pair or eyes and ears on your house."

Payind said that many of his clients hire the company for vacation patrols when they are not at home. They have 24/7 availability to offer round-the-clock security tailored to a homeowner's schedule. "We ensure peace of mind," he said.

They use advanced equipment - from thermal cameras to mobile surveillance units, that can watch everything from an individual home to a large construction site. Their marked vehicles patrol and report. They also offer on-site guard services, parking enforcement and more for homeowner associations and commercial establishments.

"In the west and north valley one of the big concerns is fire safety," Payind told *Valley News Group*. "People learned after the Woolsey Fire that emergency services can't be everywhere - and in fact, the fire department didn't reach many of the homes in the path of Woolsey." First Choice therefore also offers fire watch for its clients.

**Valley residents are becoming more concerned about home invasion robberies than homeless issues.**

Payind has over five years in the security business, and started his own company to "do it the right way." They work with individuals and companies to scale their services to their needs, and are budget-friendly without compromising quality. They offer competitive rates and transparent pricing.

"The most important thing we offer is quick response," Payind said. "Time is of the essence in an escalating situation. Our rapid response protocols ensure immediate action in crisis."

First Choice Private Security is located in Calabasas, and serves the entire San Fernando and Conejo Valleys. For more information visit firschoiceguards.com, call (855) 625-SAFE or email info@firstchoiceguards.com.

# Grand Reopening of Wild Walnut Dog Park Celebrated

Wild Walnut Park in Calabasas was reopened with a day-long celebration last Saturday.

The park and the Mulholland Highway/Old Topanga Canyon Improvement Project were successfully completed with collaboration between the City of Calabasas Community Services, Public Works and Community Development departments. Mayor Alicia Weintraub, City Manager Kindon Meik and City Councilmembers opened the park and gave a nod to Calabasas resident Roza Besser, who advocated "relentlessly" as she said for over seven years to get the park redone.

The Mulholland Improvement Highway/Old Topanga project improved the roadway and its safety with new sidewalks, a traffic signal, retaining wall and erosion control measures.It was possible with grants of almost $7 million from the County Regional Parks Dept. and Open Space District and Metro's Measure M Active Transportation Program.

Mayor Alicia Weintraub, second from left, opened the park with Councilmembers, from left, David Shapiro, Ed Albrecht and James Bozajian.

City Community Facility Supervisor Aimee Haber, left, and Services Director Erica Green.

Calabasas resident and park proponent Roza Besser and her dog Reggie at the opening.

Children played all day in the new area designed for kids aged two to 12, next to a shade area for parents, picnic space and new modern restrooms.

Brownie Troop 3276 advocated for the park and shared their ideas for play structures on this side of Calabasas.

"Fairies" offered face painting for children at the opening.

Dogs and owners alike cooled off at the new new drinking fountain.

Woodland Hills' Zoom Room canine event center brought activities for adventurous dogs.

The PETITION FOR PROBATE requests that LUCINA G. SOTO be appointed as personal representative to administer the estate of the decedent.
The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.
A HEARING on the petition will be held in this court as follows: September 6, 2024 at 8:30 AM, in Dept 67, of the Superior Court of California, County of Los Angeles, located at the Stanley Mosk Courthouse, 111 North Hill Street, Los Angeles CA 90012.
IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.
IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a
credi-tor. You may want to consult with an attorney knowledgeable in California law.
YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250.
